

## Hands-on Art for Pesach Workshop

Teachers and informal educators of elementary school children (grades 3-6) are invited to join our free Hands-on Art4Pesach Workshop with Avigayle Adler MA. Learn how to create hands-on learning projects in your classroom that will engage your students throughout the Seder.

We will make a Seder Plate Pillow Game about the contents of the Seder Plate; create sculptures of the Ten Plagues to decorate the Seder table; and discuss other ways to integrate art and science into your pre-Pesach learning.

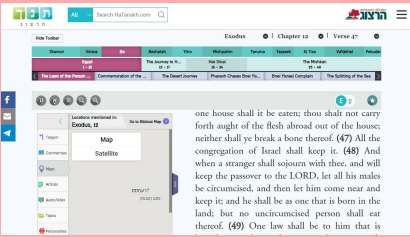

The workshop will take place online on **Sunday March 27** at 8:00pm IST (1:00pm EST). Thanks to a grant from the United-Herzog organization, it is offered free of charge.

Herzog Global has translated this resource into [Spanish](#) for use in Latin America, and we have now begun to translate it into English.
